*A Workshop on Dying with Dignity*

The Monroe County Office for the Aging will present a videotaped series on "Dying with Dignity" on four consecutive Thursdays starting April 5, 2001 at the Rotary Camp Cabin at Camp Eastman. The videotape and a facilitated discussion will run 9:00 a.m. to 11:30 a.m. Refreshments will be served at 8:30 a.m.

The series was produced by Bill Moyers for the Public Broadcasting Station (PBS). The topics include:

- April 5: "Living with Dying" – Learning to openly talk about dying.
- April 12: "A Different Kind of Care" – Comfort care at the end of life.
- April 19: "A Death of One's Own" – Facing end of life choices.
- April 26: "A Time to Change" – Changing America's overburdened health system.

Topics are independent of each other so participants can register for as many sessions as appropriate. The suggested donation is \$3.00 per week, or \$10.00 for all four components. Call 428-4977 to register.

Camp Eastman is located off Lakeshore Boulevard in the Town of Irondequoit.
